

# BrushFire

*By Manya Sharma*

*Mira sits in her messy studio, furiously painting with big and bold red strokes.*

*After a couple hours Adriana (Mira's Bestfriend) walks into Mira's studio offering her a drink*

*Adriana tries to talk to Mira, and tries to explain to her that maybe she isnt able to paint because she i using her anger*

*Mira is upset and throws the brush away - her quintessential tool across the room*

*Aidriana paints calmly beside mira. Mira watches her annoyed by her peace.*

*Mira paints violently . Colours gong everywhere. Ripping her canvas*

*Adriana shows Mira her work trying to teach her but Mira gets mad and storms out*

*Mira listen to Evelyn and decides to go home and work on her new painting this time using her anger as a tool not the whole thing*

*Final painting*
